Who are we?

Run by the Wildwood Trust, a conservation charity dedicated to preserving British wildlife, Wildwood Escot is not just a wildlife park but also a unique conservation project that tells the changing story of British wildlife.

With its winding woodland paths and beautiful flowers, Wildwood Escot hosts the perfect environment for a stunning collection of native and formerly-native wildlife. Many of the animals at Wildwood are either extinct in the UK or under threat. The Wildwood Trust is working to protect and conserve Britain's most endangered wildlife and reintroduce animals to where they once lived.

A visit to Wildwood Escot isn't just a fun day out - it's a way to help preserve our British wildlife. Every penny spent at Wildwood helps our cause.
